

OTC Leadership Circle

OTC is grateful for those organizations, individuals and families who deeply believe in OTC's mission supporting the development of young artists, and who are able to show their support through generous donations to support our efforts. We have established the Leadership Circle for a select number of committed supporters who wish to deepen their impact and join the OTC community. Circle members pledge \$5,000, underwriting the programs in dance education, dance performance and documentary filmmaking that fuel OTC's 2018-2019 vision for footwork.

Members of the Leadership Circle receive special benefits including:

- Acknowledgement in OTC publications
- Invitation to events featuring: debut dance performances, early updates on OTC programs, and panel discussions related to OTC's work
- Photograph featuring OTC's work with top Chicago footwork dancers and DJs

Checks can be made out to "Open the Circle" and sent to Open The Circle, c/o William Glasspiegel, 2735 N Dayton St, Chicago, IL 60614.

For questions or more information about joining the Leadership Circle please contact Drew Alt, OTC co-founder, at (312) 550-5821 or drew.alt@otcprojects.org.
