

## OTC Sustaining Fellows

OTC is grateful for those organizations, individuals and families who deeply believe in OTC's mission supporting the development of young artists, and who are able to show their support through generous donations to support our efforts. Sustaining Fellows pledge \$1,000 or more, underwriting the programs in dance education, dance performance and documentary filmmaking that fuel OTC's 2018-2019 vision for footwork.

Sustaining Fellows receive special benefits including:

- Acknowledgement in OTC publications
- Invitation to events featuring: debut dance performances, early updates on OTC programs, and panel discussions related to OTC's work

Checks can be made out to "Open the Circle" and sent to Open The Circle, c/o William Glasspiegel, 2735 N Dayton St, Chicago, IL 60614.
